**BUS STOP**

Please be aware that school buses have started running again and that means the bus stop is a very busy place. Here are a few tips to help with traffic congestion and to keep our children safe.

USE ONE SIDE OF THE STREET FOR PARKING:
This will allow for safe passage of other cars and emergency vehicles entering and exiting the plan.

SLOW DOWN AND BE AWARE:
Please use extra caution entering and exiting the plan at bus stop times.

TALK WITH YOUR CHILDREN:
Review street safety, the importance of using the sidewalk and avoiding the street to get to you from the bus.

FRIENDLY REMINDERS

- While walking pets, please remember to pick up after them. No one likes to clean up some else's mess.
- Please clean up any trash that has been left after garbage pick up. Let's keep our neighborhood tidy!

The HOA thanks you in advance for your attention to these items and for making our neighborhood a safe and friendly place to be!
